The map displays a network of streets in Ludwigsburg, with a green line indicating the recommended route to Grundschule Hoheneck. The school is marked with a red rectangle in the center. The route starts from the bottom left, goes north along the main road, then turns east, following a path that includes several pedestrian crossings with traffic lights and zebra crossings. Key landmarks include the 'Notinsel' (a small island of green space) and 'Elternhalt' (parent drop-off/pick-up zones) marked with 'H' icons. A note 'nicht ganzjährig geöffnet' (not open year-round) points to the school building. The map also shows various residential areas, parks, and other local features.
